Daisy

Daisy, with her large, flapping ears like a rabbit, has the ability to hear all the sounds of the forest friends.

She knows many secrets but is a deep friend who never tells what she hears to anyone. Due to her protruding belly, she has tried countless diets but always failed. She believes that her belly sticks out because she knows too many secrets.

Her best friend, Pobi, and she raise clouds in the summer forest cloud farm, starting each day with the pancakes and sweet hot chocolate that Pobi makes. She often says that this is her greatest happiness.

Life at the cloud farm in the forest is slow and simple to the point of boredom, but with Daisy and Pobi's curiosity, even small events turn into exciting and joyful adventures.

Pobi

Pobi is a curious little prankster. He is lively and humorous, but also has a delicate side.

Every morning, he makes delicious pancakes and starts the day with a tea time with Daisy.

Pobi and Daisy run a cloud farm and enjoy going on trips from time to time.

The adventures with various friends they meet during their travels bring vitality to Pobi's life.

Pobi always spends his days full of energy and laughter, bringing joy to those around him.

Funny

Funny is an adorable puppy with fluffy blue fur, raised by Daisy and Pobi. He is best friends with Ito and enjoys taking walks together every day, sometimes acting mature by taking care of Ito. Funny loves collecting various toys and has become a little hero in the summer forest, bringing warm smiles to his friends.

Primary Supporting Character

ITOSSY

Itossy is a cute rabbit who admires the adult world. In the summer forest, he never ages, so he sticks on a mustache and pretends to be an adult. His friends know Itossy's secret but pretend not to. Itossy has a curious and innocent personality. He is best friends with Funny, and they love taking walks and drinking banana milk by the river. Itossy and Funny always dream of new adventures and spend joyful days with all their friends in the summer forest.

Penggi

Penggi is a cute penguin who left Antarctica because he hates the cold and came to the jolly Summer Forest. He believes that one day he can fly like birds and practices flapping his wings every day. Penggi is passionate about fashion and enjoys collecting unique hats from various countries around the world. Thanks to Penggi, the Summer Forest has become an even more lively and joyful place.

Roy

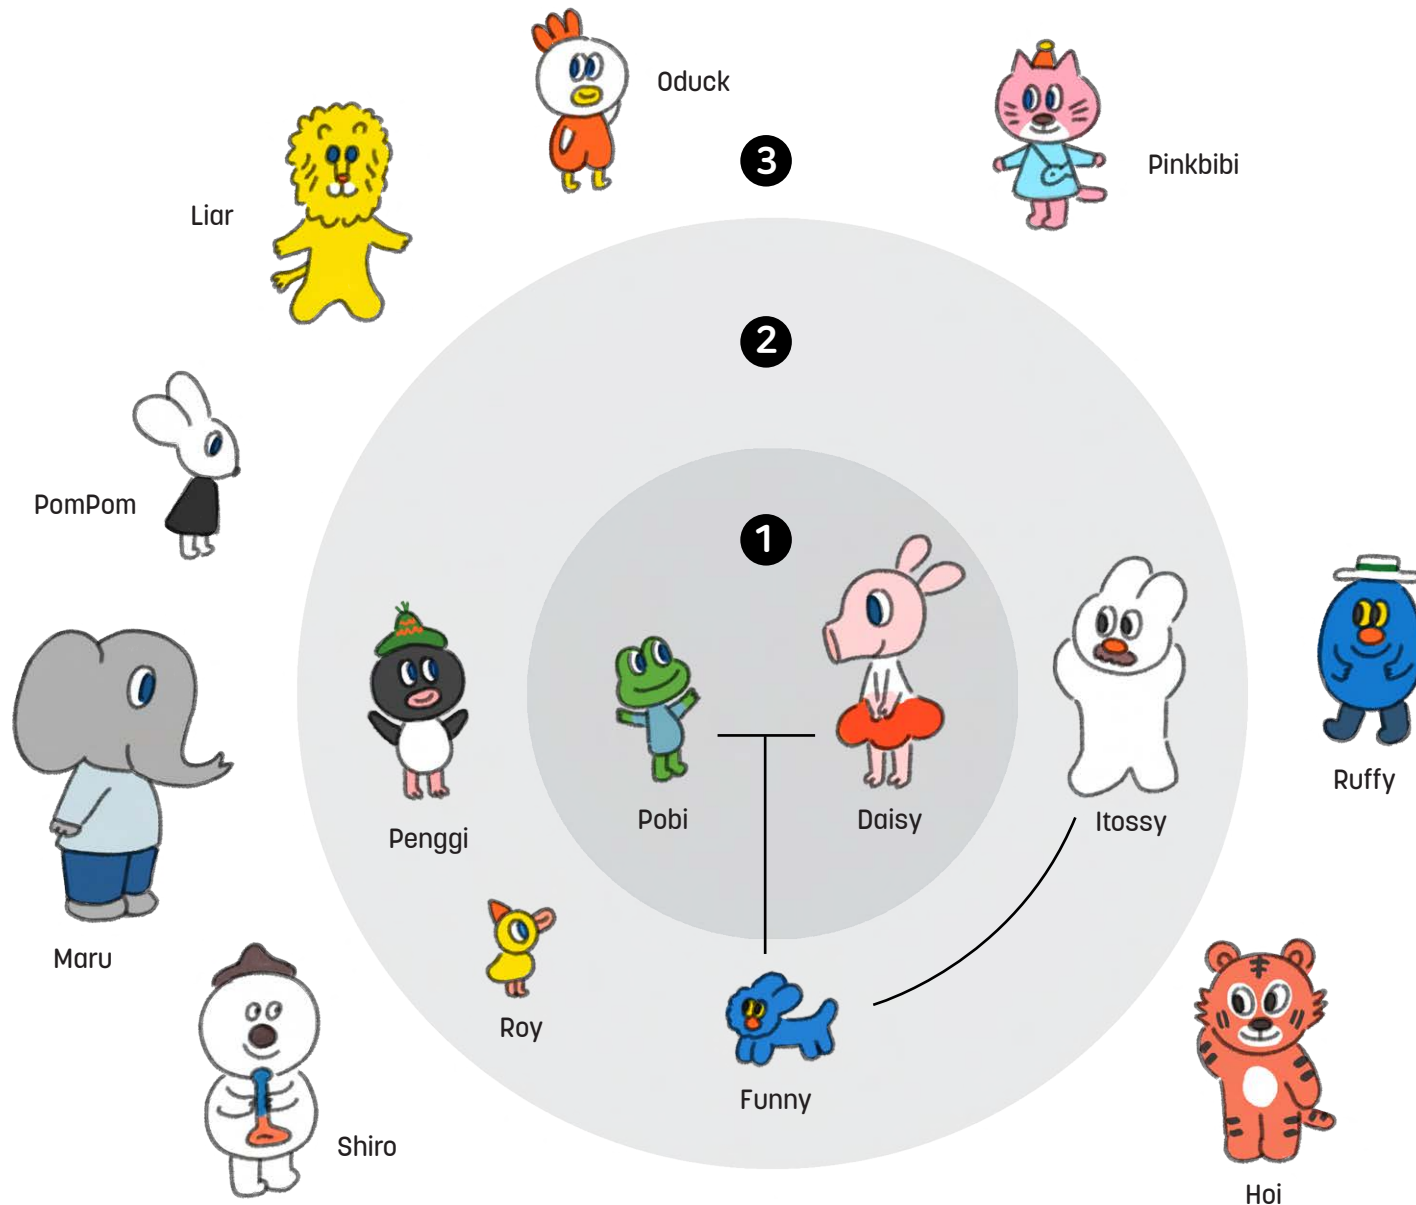

Roy is Daisy's little duckling friend. He always follows Daisy around.

Ruffy

Ruffy crash-landed on Earth from a distant part of the universe and settled in the jolly Summer Forest. With a body as soft as jelly, he possesses the ability to transform freely. Wearing a pirate hat, his friends imagine that Ruffy might be a space pirate.
